

German North Atlantic Catapult Flights 1929-1935

By James W. Graue and Dieter Leder

Published 2004 by Jim & Me Ink, Valleyford WA 99036 Softbound, coil binding. 240 pages. 8.5" x 5.5" size, illustrated. Price: US\$30.00 + \$2.00 shipping (US), \$4.00 international, \$9.00 international airmail. Order from: Jim Graue, 11911 East Connor Road, Valleyford WA 99036

Complete comprehensive catalogue for German North Atlantic catapult airmail from the North German Lloyd liners Bremen and Europa plus the supplementary flights from Köln to the ships at Cherbourg (including Columbus) through August 1939.

Catalogue listings are preceded by 18-page introduction to postal markings used on catapult airmail, an introduction of the catalogue format and basic information on foreign acceptances. Listings for each flight are complete with flight detail information, all origin types, foreign origin acceptances and combination flights, all priced reflecting current market. All flight cachets and relevant markings are shown. Illustrations show exemplary covers and photos of the aircraft..
